TEACHER OF MATHEMATICS FULL TIME

An enthusiastic and suitably experienced Mathematician with the ability to teach A Level Further Mathematics is required from September 2018 to join a large and highly successful department.

Over 250 Hampton boys study Mathematics in the Sixth Form, of whom 120 take Further Mathematics.

Hampton is one of the country's foremost independent schools and has an extensive and thriving co-curricular programme to which a contribution will be expected. The School is proud of its large and vibrant Maths Department. With a staff of 26 teachers who are all passionate about their subject we can help ensure every boy achieves to the best of his ability.

The Department is renowned as one of the best in the country. Our young mathematicians have in recent years been crowned champions in the prestigious UK Maths Team Challenge and the Hans Woyda competition, they excel in individual competitions such as the British Maths Olympiad and many go on to read Mathematics at top Universities. The School was also recently awarded an 'exceptional' rating from the Independent Schools Inspectorate (ISI) for pupils' achievements and learning.

The post would suit a well-qualified graduate or an experienced teacher. Hampton has its own generous salary scale and NQTs are provided with an appropriate programme of induction leading to QTS, valid across both sectors.
