# HAMPTON SCHOOL

(HMC 1312 boys 11-18, 385 in Sixth Form)

**TEACHER OF MATHEMATICS  
FULL TIME  
TO START SEPTEMBER 2019**

This position represents an outstanding opportunity for an enthusiastic Mathematician to join Hampton's large and highly successful Mathematics Department. Over 250 Hampton boys study Mathematics in the Sixth Form, of whom 120 take Further Mathematics. The Department is renowned as one of the best in the country. Our young mathematicians have in recent years been crowned champions in the prestigious UK Maths Team Challenge and the Hans Woyda competition, they excel in individual competitions such as the British Maths Olympiad and many go on to read Mathematics at top Universities.

Hampton is one of the country's foremost independent schools and has an extensive and thriving co-curricular programme to which a contribution will be expected. The School is proud of its large and vibrant Maths Department comprised of 24 teachers who are all passionate about their subject and help ensure every boy achieves to the best of his ability. The School is rated as 'exceptional' by the Independent Schools Inspectorate (ISI) for pupils' achievements and learning.

The post would suit a well-qualified graduate or an experienced teacher and the ability to teach Further Maths is desirable but not essential. Hampton has its own generous salary scale and NQTs are provided with an appropriate programme of induction leading to QTS, valid across both sectors.

The closing date for applications is **Monday 29 April 2019 at 9am**, however, we encourage applications as soon as possible as the School reserves the right to commence or complete the interview process at any time prior to the closing date.
