WHAT WE ARE LOOKING FOR

Hampton has high academic standards and we are proud of our exam results at GCSE, A level and Pre-U. Boys need to be academically-minded and hard-working; however, we are also looking for boys who will make a positive contribution to the co-curricular programme and who subscribe to the ethos of the School. Motivation, intellectual curiosity and a willingness to join in and try new things are all key attributes of a Hampton boy.

11+ entry

The majority of boys joining the First Year (Year 7) at 11+ come from maintained primary schools, alongside a number from independent preparatory schools which finish at 11. Assessments for 11+ entry are held in the January of Year 6. There is also an opportunity for boys to sit the 10+ Advance Place examination in the November they are in Year 5 for a guaranteed place in the First Year (Year 7) at 11+.

13+ entry

Entry to the Third Year is for boys attending independent preparatory schools which finish at the end of Year 8. Assessments are held in the January of Year 6. The School also holds a 12+ examination for boys in Year 7 who were not successful in the Year 6 assessments or have not sat previously. The 12+ assessments are held in the January of Year 7.

Please note that candidates may only sit for entry at 11+ or 13+ and offers are not transferable from one entry point to another.

Assessments for entry at 11+ and 13+ combine academic testing with a school reference and interview and aim to identify boys who will be happy and thrive at the School.

The written examinations consist of three papers:

- English Response & Composition (2 x 30 minutes)
- Words & Reasoning (40 minutes)
- Mathematics (55 minutes)

THE INTERVIEW

Boys showing potential in the written assessments are invited for interview with a member of our teaching staff. The interview is an important part of our decision making process and provides boys with a further opportunity to shine.

Entry to the Sixth Form is via personal statement, Headteacher's report, written and online assessment and interview. Assessments are held in the November of Year 11 and offers of places are made conditional upon specified grades at GCSE.
