

HAMPTON FOURS AND EIGHTS HEAD 2019

SATURDAY 2nd FEBRUARY

TWO DIVISIONS AT 10.00 AM & 2.00 PM

Notice regarding changes to Hampton Head

Hampton Head has grown significantly over the last few years – thank you for your support of our race. This has however had a significant impact on the local area and in particular on Hurst Park.

In order to ensure that we can provide the highest level of competition for the events we offer and to reduce our impact on the local environment we have had to take the difficult decision to remove J13 and J14 events from our race.

However, we are delighted to announce that Molesey Boat Club are going to offer these events at their Head Race on Saturday 16th February. We would encourage you to enter this event with your J13 and J14 crews. Hampton School and LEH will certainly be entering their full squads into this race, we will be working with Molesey to help deliver a great racing experience for this age group, which we very much hope you will support too.

We have also made a few changes to the categories offered in each division in order to spread the entries out evenly.
