

HAMPTON SCHOOL

AIMS & ETHOS

Hampton is a friendly, lively and unpretentious school for boys.

The School is a community where success is based upon achievement rather than the pursuit of narrowly defined targets.

We welcome academically minded pupils from both maintained and independent schools, irrespective of ethnic group and background, and of their religious or non-religious beliefs.

We encourage every boy to develop his full academic potential and to develop skills for life through the wide range of cultural, spiritual and sporting opportunities on offer.

We believe that education is not only about acquiring knowledge and skills but about developing a spirit of intellectual enquiry in a caring, stimulating and enjoyable environment.

We aspire to enable our boys not only to make sense of the world but also to want to go out and improve it.

Above all, our aim is for those leaving Hampton to be open-minded, tolerant and full of conviction, to have a clear sense of right and wrong, and to aim for personal success while supporting those around them.
