

ASSISTANT CHEMISTRY TECHNICIAN

PART TIME FROM SEPTEMBER 2022

Hampton School requires an Assistant Chemistry Technician to join our Chemistry department from September 2022. This is an excellent opportunity to join a vibrant and highly successful department in an outstanding School.

Technicians are responsible for supporting the Chemistry Department in teaching boys aged 11 to 18, by providing support across ten Chemistry laboratories, assisting in the preparation of class practicals, ensuring laboratories are clean and tidy, washing up within the department (glassware, etc) and assisting with the general security of and safety within the department.

Chemistry is a hugely popular subject at Hampton. Pupils study Chemistry as a separate science from the start of the First Year, with all boys taking GCSE Chemistry in Fifth Year and a significant proportion of boys electing to continue with Chemistry into the Sixth Form.

The School is rated as 'exceptional' by the Independent Schools Inspectorate (ISI) for pupils' achievements and learning. Applicants should be qualified to a minimum of GCSE or equivalent in Science and previous experience as a technician would be desirable but not essential. Being able to work in a team and enthusiasm are essential and ICT skills would be an asset.
