

## 13+ Academic Scholarships

Academic Scholarships at 13+ are awarded through the Common Academic Scholarship Examination (CASE). Questions are based on the Common Entrance syllabuses and further information is available on the ISEB website [www.iseb.co.uk](http://www.iseb.co.uk).

Application forms are available on the Admissions Portal in the autumn term of Year 8 and should be completed by the candidate's parents following consultation with their son's Prep School Head.

The assessments are held at Hampton and candidates sit written papers; Maths, English, Science, French, Latin, History and Geography. Spanish or German and Greek are optional and assessed by oral exam. In addition to the written tests, candidates also have an Academic Scholarship interview and French oral exam. Hampton uses the ISEB CASE papers for all subjects except English, where we set our own.
