

HAMPTON  
SCHOOL

# CO-CURRICULAR CLUBS

*Seriously* EXCELLENT *Seriously* FUN

***“An unbelievable breadth of clubs’, from beekeeping (delicious Hampton honey!) to board games to architectural lego, means that everyone can find something to join, however obscure their interest.”***

The Good Schools Guide

**130+**

**CULTURAL, ARTISTIC & SPORTING CLUBS TO CHOOSE FROM**

## **CLUBS & SOCIETIES**

The balance between academic and co-curricular activity is very important at Hampton as we firmly believe that happy and fulfilled boys outside the classroom are much more likely to achieve success within it. Enthusiastic, talented pupils; skilled, passionate staff, and first-rate facilities all combine to ensure Hamptonians enjoy a balanced all-round education. The creative arts and sport are at the heart of our co-curricular provision alongside a diverse range of clubs and societies. With such a rich variety of activities on offer, the biggest challenge our pupils have is finding time to enjoy them all!

This leaflet provides a glimpse into our co-curricular programme but is by no means an exhaustive list - new clubs and activities are introduced all the time. Scan the QR code to find out more.

## HAMPTON'S TALK! SERIES

Our *Talk!* series offers a superb opportunity to hear from distinguished speakers from all walks of life. The annual programme is designed to entertain and inspire, broadening the horizons of all who attend. Hamptonians, partner schools, parents and members of the public are welcome to attend. Scan the QR code for more details and to see previous speakers.

***“Pupils of all ages engage in and achieve at the highest levels in the extremely wide range of co-curricular activities”***

Independent Schools Inspectorate (ISI) Report 2023

## DUKE OF EDINBURGH'S AWARD (DofE)

Hampton has one of the largest and most popular Duke of Edinburgh's Award groups in the UK, with over 350 boys participating each year. The programme involves practical, cultural and adventurous activities providing boys with the opportunity to have fun with friends, discover new interests and develop valuable life skills, while at the same time giving back to the community. Pupils can get involved from the Fourth Year onwards.

## ADVENTURE SOCIETY

Our Adventure Society is a firm favourite among Hamptonians and offers an exciting range of experiences designed to challenge pupils mentally and physically while, at the same time, developing leadership, teamwork and confidence.

There are numerous trips on offer both within the UK and further afield including: a multi activity trip to the New Forest and mountain biking weekend in Hampshire for First Years, a water sports activity weekend in Dorset for Second Years and Third Year multi-activity trip to Snowdonia involving rock climbing, abseiling, mountain biking, walking and canoeing. Older pupils have the opportunity to travel further afield with trips to Borneo and Malawi, to experience new cultures and participate in voluntary work in local communities.

## WEEKEND ACTIVITIES

Saturdays bring huge numbers of Hamptonians together from all age groups for a full day of fixtures across a large number of sports – a programme which would rival even the biggest boarding schools. With many parents coming along to cheer them on and show their support, it's a fun and social day for all involved.

**“Sport is famously strong.”**

Tatler Good Schools Guide

***Awesome – so many  
great memories, so many  
great people, so much fun.”***
